

YFC YOUTH FOR CHRIST

IMPACTING YOUTH TODAY, SO THEY LEAD THE WORLD TOMORROW

January 2, 2008

To Whom It May Concern:

Denver Area Youth for Christ and *Church in the City* have been working interdependently in their neighborhood for nearly ten years through the S.T.e.P.S. Teen Parenting Program. Staff and volunteers of both ministries work together to connect with pregnant teens, teen moms and dads while providing a safe place of encouragement and support; such collaboration has impacted hundreds of young mothers and their children for Christ over the years.

Please accept this letter of support for *Church in the City*; knowing that if their request is granted, the ministry with teen parents in the city of Denver will be greatly enhanced as well as the multitude of other necessary community and spiritual services they provide.

The entire city of Denver benefits from the life-changing outreach ministries done by *CITC* at their current locality and we look forward to continuing our collaborative relationship with them at the new location. By granting the request of Pastors Michael and Brenda Walker, their leadership team, and congregation; you will play a major role in building capacity for the continuation of a God-given vision in impacting the city of Denver for Christ through *CITC*.

Sincerely,

Craig Rosentrater
Executive Director
